Major Expansion at Refinery

\$26,000,000 is to be spent in the next 18 months on the expansion and modernisation of the Refinery.

It will be the first major refinery expansion in Australia designed specifically to process Australian crude oil.

The Premier, Sir Henry Bolte, announced the plans on Tuesday at a conference called in Melbourne by the Chairman of P.R.A., Mr. Karl F. Madsen.

Also present were Altona Shire President, Cr. W. L. J. Crofts, and Shire Secretary, Mr. J. W. Waters.

Planning and design have already commenced and construction will start in 1969. Estimated completion date is late 1970.

Kellogg Overseas Corporation have been awarded the contract for engineering and construction of a new 40,000 barrel a day crude distillation plant, a 10,000 barrel a day catalytic reforming unit, a 23,000 barrel a day naphtha hydro treater and expansion of existing utilities and service facilities.

Cr. Crofts said he is very pleased with these expansion plans which augur well for the future of Altona particularly from the rate angle.

He said the company is showing faith in Australian industry and the expansion should give impetus to industry in the area.

GOVERNOR ACCEPTS INVITATION

The Governor of Victoria, Sir Rohan Delacombe, has accepted the invitation to proclaim the City of Altona on December 21.

Following an official luncheon His Excellency will make the declaration outside the entrance on the southern side of the Civic Building.

MONSTER BONFIRE

The biggest bonfire to be lit in Altona will be set alight on Apex Park at 7 p.m. on Saturday night. All children and parents are welcome.

Apex Park is at the western end of the Altona beach — between the last house and the Explosives Reserve. It borders Queen Street opposite the entrance to Koorringal Golf Club.

The Colourful "King and I" Cast

On stage at the conclusion of the successful three night presentation of "The King and I" at the Refinery Auditorium last week are pictured the cast of students from Altona North High and producers of the show. More about the production can be read on page 3.

RATES CAN BE PAID BY INSTALMENTS

This year, for the first time, ratepayers may pay Council rates by four instalments.

But application to do so must be made to the Civic Offices.

The majority of Altona rate notices have been posted.

Rates may be paid, as in the past, in a lump sum.

Actually rates are due in December but 4 months free time till April 10 is allowed before interest becomes chargeable.

If paid after April 10, interest at the rate of 8% P.A. dating from the previous December will be added to the amount owing.

However, ratepayers may apply for permission to pay in four equal instalments due on December 31, Feb-

ruary 28, May 31 and August 31.

Provided each payment is made before the due date interest will not be charged on the two instalments being paid after April 10.

The first instalment would be paid 14 weeks and the second 5 weeks prior to April 10.

Of the other two, the third instalment is 7 weeks and the fourth 20 weeks after April 10.

There is no official form to fill in seeking permission to pay in instalments.

Ratepayers wanting this method of payment may include the first instalment — 25% of the rates — with their application.

Sewer For Some On November 15

From November 15 the sewer will be available to certain areas of Altona South.

There have been no hold-ups in construction of the purification plant which is to begin operating in November as originally planned.

Already some property owners have letters from the Board of Works informing them of the availability of the sewer.

Owners have received forms to be completed and returned with the requisite fee to the Board.

On receipt of the form the Board will produce a plan and consent will be prepared and issued to the

owners — enabling them to engage a plumber to connect properties to the sewer.

Work is nearly complete on the first two areas being connected to the sewer main which runs around the swamp to Maidstone Street and is coming along Civic Parade.

A tender for construction of the next three areas was let by the Board on Tuesday.

A main in this area will run along Seagull Avenue and cut across to pick up the main sewer.

Work in this area should be completed within one year.

But not all properties will have to wait one year before connection.

As sections of the main are finished the sewer will become available to nearby areas.

FINAL COPY DEADLINE

The office of the "Altona Star" will be closed next Tuesday, Cup Day.

To ensure publication, copy for insertion in next week's paper must be received no later than 12 noon on Monday.

Copy received later may not be included in this issue.

OBITUARY

Many residents of Altona were saddened to learn of the early death on October 23 of Mrs. Hannah (Nan) Griffiths of Seaholme Avenue, Seaholme.

A popular member of the Altona Branch of the Country Women's Association she was elected last November for a two year term of office as president.

Mrs. Griffiths was born at Waterloo, Liverpool, England and was a children's nurse.

During the war she served in England with the Auxiliary Territorial Service.

With her family, Mrs. Griffiths migrated to Australia in December, 1950.

They lived at Moonee Ponds and Frankston before coming to Altona 13 years ago.

Three and a half years ago her mother, who is blind, came to Australia.

Mrs. Griffiths regularly accompanied her mother to the Koorringal Blind Centre.

Here she became a helper and aided the blind with her craft work.

Mrs. Griffiths is survived by her husband, William, daughter Joan (Mrs. John Wisely), son David, daughter-in-law Donnette, grandchildren David and Jennifer and her mother (Mrs. Blanche Fielding).

Soccer Club Trophy Winners

Full back Bobby Milloy won Altona Soccer Club's 1968 Best and Fairest award and also the award for the most improved player. Pictured above at the annual presentation night he is shown second from the right displaying his trophies. With him from the left are captain Jim Balish named best club man, John McQueen, Reserves Best and Fairest, and Hans Delamain, Reserves best first year player.

NEW DRIVE-IN THEATRE

A Hoyts drive-in theatre is to be built in Doherty's Road, Altona North.

It will be next to the Myer bulk store and opposite the new entry into the Crematorium.

The area is zoned light industrial in the Master Plan and the light industrial development would be covered by the usual requirements. Drive-In Theatre is a permitted use in a light industrial zone. The proposal is to subdivide the land into two lots so that the southern light industrial land will be serviced by a service road 66 feet wide which will also be the entry road into the Drive-In Theatre. This road will be more or less opposite the new entry to the Crematorium in Doherty's Road. (Plan on display board).

The Shire Secretary says that the road as shown on the plan to allow access to Lot 2 will be replaced by an easement of way through Lot 1 to allow access to Lot 2. There will be no road as shown on the plan. The owners of the land have agreed to construct the easement of way within 53 weeks.

EDITORIAL

MR. J. W. WATERS

When Altona is proclaimed a city few will deny that Mr. J. W. Waters has every reason for self satisfaction. His record as Shire Secretary does not need to be told. It is known.

It has been published that for the first time in the history of the Shire, Mr. Waters has missed a Council meeting through illness.

When through illness, holidays or municipal business elsewhere he is not present at Council, his absence is certainly felt.

While Mr. Water on all counts has been a notable Shire Secretary, he has been more than that. He has been a true citizen of Altona and all that implies.

A qualified lay preacher he has been an elder of the Presbyterian Church for many years. Mr. Waters attended the first Presbyterian Church service held in Altona and since its inception has been secretary of the Board of Management and also an elder of the Altona Church.

He attended the first meeting of Altona Rotary and was a Charter member at its foundation in 1963.

He was a director of the Board and is a past vice president and president.

Mr. Waters' practical and theoretical knowledge of local Government administration could not be ignored by others with similar interests.

He is State president of the Institute of Municipal Administration.

He has been on the group's executive for six years, has been a Victorian delegate to Federal Council, and is a junior vice-president of Federal Council.

Mr. Waters is also a lecturer and examiner in Local Government Law.

Altona has been fortunate in having Mr. Waters as Shire Secretary since the inception of the Shire. We have every assurance that he will serve as well as Town Clerk.

And much of what we say of Mr. Waters could be said of the Shire Engineer, Mr. R. C. Simmons, and Deputy Shire Secretary, Mr. H. Trueman and other executive officers.

They have all contributed much to the administration of the Shire and to the image of Altona.

COUNCIL TO PROTEST OVER RATES ON S.E.C. PROPERTIES

Altona Council plans to protest against the State Government moves to ensure that municipalities cannot charge rates against State Electricity Commission properties.

It agreed on this at last Monday night's meeting after receiving a letter from Mr. J. D. Fagan, secretary of the Municipal Association of Victoria.

Mr. Fagan's letter read: "Would you please note that the State Government, through the Minister for Fuel and Power, the Honourable J. C. M. Balfour, M.P., has introduced into the Legislative Assembly a Bill to amend the State Electricity Commission Act, 1958.

The Bill arises from a decision given by Mr. Justice Gillard of the Supreme Court of Victoria, upheld by the High Court of Australia, that the State Electricity Commission is liable to pay municipal rates in respect of land which it occupies and holds the fee simple thereof. The originator of the action was the City of South Melbourne.

It is proposed in the Bill that Crown land and land vested in fee in the Commission, which is unoccupied or used for the purpose of the Commission's legislation, shall not be and be deemed never to have been rateable property within the meaning of the Local Government Act, 1958. It is further proposed that the Commission shall pay councils an amount in lieu of rates in respect of premises where the Commission carries on the business of trading in electrical appliances. Payments in lieu of rates shall be the amount agreed to by the Commission and the Council concerned. In default of agreement, the amount will be determined by the Valuer-General.

The latter portion of the Bill merely transcribes into statutory form ex gratia payments which arose originally from representations made by this Association to the then Minister in Charge of Electrical Undertakings, the Honourable G. O. Reid, M.P., in 1956. I am to inform your Council that the Legislative Committee of the Association is extremely disappointed that the Government, whilst indicating its intention to come to grips with the problem of property exempt from rating, has seen fit to bring forward a legislative proposal to exempt from rating a State undertaking which the highest legal tribunal in Australia unanimously held to be rateable.

The Legislative Committee in opposing this Bill invites Councils to express their views to parliamentary members for the district on the measure before Parliament and also the growing number of non-rateable properties about which State Governments over the years have shown a surprising inability to tackle as compared with the current haste in seeking to negate a successful action by a council against a State undertaking whose rateability has never been in doubt in the view of this Association and its legal advisers.

According to the Parliamentary notice paper, the second reading debate in the Legislative Assembly is scheduled for resumption on Tuesday, October 22 next.

NEW PRESBYTERIAN MINISTER

Rev. Athol J. Ridgway of Ascot Vale, will be inducted into Altona Charge at a Service at the Presbyterian Church on Friday night at 7.55.

After the service, a social hour will be held when welcomes will be extended by the Shire President, Representatives of the Church's organisations and by other Churches, to Rev. and Mrs. Ridgway and family of four sons and a daughter.

Walker) in their contest with Williamstown (D. Dixon, P. Whelan, R. Anderson, K. Lambert). Ken Bradie and Peter Whelan fought out an interesting duel, with Whelan winning 22-20, 16-21, 22-20. Williamstown, more even on the night, won 7/4. In D4, Williamstown (Ray Campbell, M. Clutterbuck, Wendy Bearpark) defeated Altona North (S. Perry, J. Reece) 6/13/4/11 to 5/12/4/65.

PHILLIPS - WRIGHT WEDDING

VETERAN CAR CARRIES BRIDE TO WEDDING

Mr. Ian Dwight Phillips and his bride, the former Jeanne Marion Wright, beside the veteran car — a 1928 De Soto — which carried the bride to St. Augustine's Church, Melbourne, and after their marriage, brought the couple to the reception at the Civic Hall, Altona.

The ceremony, last Saturday, was celebrated by Nuptial Mass. The bride is the eldest daughter of Mr. & Mrs. J. Wright of Irwin Avenue, Altona North, and the groom the youngest son of Mr. & Mrs. R. E. Phillips of Guildford, N.S.W.

An old English style Empire line lace ribbon gown with a full length train was worn by the bride. Her head was covered by a scalloped hood of the same material of the gown. She carried gardenias and lilly of the valley.

The four bridesmaids, the bride's three sisters, Adeline, Margaret and Elizabeth and friend Sandra McCommond wore pale mauve ottoman silk frocks. Adeline made all the bridesmaids' dresses.

Best man was Mr. Frank Lourey and the groomsmen, the groom's brother Bruce, Wayne Nelson and Richard Nitz.

The bride's mother wore a white crochet dress beneath a red crimplene coat and carried red accessories. The groom's mother chose to wear a turquoise lace ensemble with navy blue accessories. The groom's parents came from Sydney for the wedding.

The couple are touring to Perth for their honeymoon, where they intend living.

ALTONA NORTH HIGH SCHOOL

"THE KING AND I"

BY TELMAH

Those who know "The King and I" would not be disappointed by Altona North High School's production which ran at Refinery Hall from Thursday to Saturday of last week.

Everything was there — the humour, engendered by the King's touchy understanding of the nuances of English, his fascination for Anna's vexed "et cetera, et cetera, et cetera"; his stubborn refusal to recognize Anna's subtle reference to the wrongs of slavery as applicable to himself, his failure to understand that "President Lingkonk" did not need elephants and his good-natured gesture in wanting to send only male elephants to America, a matter for Anna to "fix-up" so that breeding could take place.

The performances provided us with a pleasant "puzzlement" for pondering. How could a cast in which there were but three real voices, those of Lynne Box as Anna, Maura Romano as Tuptim, and Ken Tester as Louis, carry a musical comedy? The answer would appear to lie in the dedication of the principals to their task — so involved were the players in the business of acting that vocal quality just did not matter. Couple this dedication to sound musical accompaniment, inventive sets, good costumes and excellent choreography and the result is a worthwhile contribution to school theatre.

Lynne Box lent to her part a sincere interpretation based on a fine sense of feeling for the role. As we said involvement was the key, note and Lynne certainly enveloped herself in the character of Anna and this together with a pleasing voice made her memorable. No less "lost" in his part was Alan Kennedy who, though not really gifted vocally proved to be, in the spirit of the part, "a strong king". He and Anna were professional to say the least especially in the scene

where he was to whip Tuptim.

Maura Romano was a delightful Tuptim aided by a clear, natural voice. Denis O'Loughlin seemed to enjoy his role as Lun Tha, even if he showed wry amusement at rather inappropriate moments.

Lesley Odgers as head wife, Lady Thiang gradually overcame her nerves to give a competent performance while Chris Babbich as Prince Chulalongkorn, Ken Tester as Louis, David Sutton as The Kralahome and Eugene Milograd as Captain Orton filled their roles adequately providing the production with the depth so necessary for success. Michael Clancy with assistance from his monologue proved to be a "very interesting" scene-stealer as Sir Edward Ramsay.

The choreography for the "Uncle Tom's Cabin" ballet is worthy of special mention. On a stage which was a little restrictive, we were treated to a novel sequence in which Veronica Kochan as the slave Eliza stood out.

On the debit side, some minor points arose only from a lack of experience. When we consider that this was in fact the stage debut of most of the cast, we can look forward hopefully that time will ensure that comic lines are not thrown away over audience applause as they were on a few occasions and that some of the distracting hand movements will also disappear, while cues will be recognized more readily. In general, though, gestures and facial expressions compensated for most nervous mannerisms. All in all, "The King and I" was a rewarding theatrical experience. Congratulations to the cast.

Matron of Honour, Mrs. Eileen O'Halloran, and one of the bridesmaids, Carmel Shaw, are the groom's sisters. Maureen Brown was the other bridesmaid.

They wore gowns of blue striped tulle and carried African daisies tied with bows of the same material.

Best man was the groom's brother-in-law, Eddie O'Halloran, his brother Michael Palmer and the bride's brother Patrick Shaw were groomsmen.

Bronze accessories were worn by the bride's mother with her lime green ensemble.

The groom's mother chose to wear burgundy with her pink frock and jacket.

COUNCIL TO PREPARE TURF WICKET

The Shire Council will assist with
preparation of the Altona Cricket
Club's wicket on Grant Reserve.

Each week Council staff will spend 4 hours
— an hour each on Monday, Tuesday, Wednes-
day and Thursday — working on the wicket.

The decision was made by the Council's
Works Committee and ratified at last Monday's
Council meeting.

A deputation consisting of
Mr. F. Kirk, President, Mr.
R. Duckett, Treasurer, and
Mr. G. Hosken, Secretary,
attended the committee
meeting on behalf of the
Altona Cricket Club.

Cr. Burns welcomed the
deputation and introduced
members to Councillors.

Mr. Kirk advised that the
Altona Cricket Club have
an ambition to have a side
in the Sub-district Competi-
tion. The turf wicket used
by the Club would be the
worst in the Competition.
Members have not the
time to spend on the pre-
paration. The Council has
done all it has been asked
to do in the past but the
required watering, cutting
and preparation takes up
considerable time, and it
has been found that the
members are unable to keep
the wicket up to a good
standard. Preparation starts
on Thursday night for Sat-
urday's match and it is
impossible to keep it up to
a calibre required in the
competition.

Mr. Duckett advised that
the Club is looking ahead
and desires that the wicket
be in first class order, as
next year they could be
fielding 4 senior sides in the
Competition, as against
three sides this year. The
membership of the Club has
increased and the Commit-
tee consider that there is a
lot more strain on personnel
making wickets as these are
players that are playing in
teams each Saturday. He
has noted that the Council
estimate that it would re-
quire one man one day per
week, but he considered it
could be more than that and
possibly cost the Council
up to \$500 per year.

Because Grant Reserve
was on the same ground as
the Council Depot access to
equipment could be easily
made. Other Councils in a
similar position maintain
cricket wickets and it ap-
pears that not much extra
work is involved.

He considered that a turf
wicket could be brought up
to standard and the mini-
mum amount of work re-
quired would be one hour
per day Monday, Tuesday,
and Wednesday, and two
hours on Thursday.

The Cricket Club have
been before the Council
each year with the same re-
quest. There is a genuine
difficulty in maintaining the
turf wickets and the Coun-
cil can be assured that the
Club is not trying to get
out of work.

Mr. Hosken stated that
over the past three years,
the Altona Cricket Club
have promoted the Altona
name in winning several
premierships. The Club has
provided wickets and faci-
lities at the pavilion. It is
disappointing to see the turf
break up after only two
hours of play on Saturday.
The chairman thanked the
deputation and the members
withdrew.

Crs. Lynch and Grant
moved "that the Council
staff spend 4 hours per week
of preparation of the turf
wicket on Grant Reserve as
requested by the Altona
Cricket Club".

Cr. Richards said that the
Cricket Club had stated that
5 hours would be sufficient
to maintain the wicket and
felt that the Council should
be prepared to only go half
way.

Cr. Richards moved an
amendment "that the Coun-
cil Staff assist in the pre-
paration of the turf wicket
on Grant Reserve for 2½
hours per week".

This lapsed.

Cr. Burns stated that he
opposed the motion and sug-
gested that as the cost of
maintaining the wicket would
be approximately \$15 per
week as estimated by the
Shire Engineer, a gift of
\$300 per year could be given
to the Club on condition
that they maintain their

LETTERS TO EDITOR

Dear Sir —

A very shrewd Altona
public over recent years
have dumped (with one ex-
ception) the Labor men
who once controlled the
Council.

Now led by an economic
wizard and supported by a
team of business men with
economic know how, Altona
should be set for some sort
of economic miracle.

But wait something must
have gone wrong, my rate
bill is higher this year, my
neighbour has the same
complaint, how can this pos-
sibly be? After all the
economic brains trust now
running Altona were over-
whelmingly elected to office
because of the impression
quite deliberately created
that under their manage-
ment rate bills would not
rise.

But I believe in giving
credit where it is due, full
marks to our new look
Council for charging 20 cents
per trailer load for rubbish
dumped on the Blackshaws
Rd. tip.

Why should Altona's rate-
payers be able to clean up
their houses and race up
Blackshaws Rd. to the tip
to indulge in an orgy of
dumping at no cost to them-
selves?

I believe that rubbish
dumping is a filthy habit
and like our Councillors I
think that it should be dis-
couraged.

MALCOLM McDONALD,
23 Begonia Ave.,
Altona North.

Dear Sir —

A letter to the Altona
Star last week announced
that Dr. J. F. Cairns had
the A.L.P. endorsement for
Lalor which includes Altona.

During the same week
considerable publicity in
the daily press and on "This
Day Tonight" was obtained
by Dr. Cairns when he
identified himself with the
High School Student under-
ground movement.

It was the underground
newspapers that caused such
dissensions at Melbourne
High School, leading to the
suspension of a young stu-
dent.

This prompts the question:
What is likely to follow
in our own electorate when
Dr. Cairns starts his cam-
paign here?

It is unlikely that Altona
people will appreciate young
high school students being
influenced by a particular
line of politics; nor will
they appreciate the disrup-
tions and loss of discipline
which follows distributions
of underground newspapers
printed by the Monash Uni-
versity Labor Club.

Unless I misjudge the
people of Altona, they will
want their schools to be as
independent of party poli-
tics as is their Altona Coun-
cil.

Yours faithfully,
Mrs. E. SANDERS,
191 Maidstone St., Altona.

The motion that Council
staff spend 4 hours per
week on preparation of the
wicket was put to the vote
and carried.

Water Wastes to be Tested

A Melbourne bacteriolo-
gist, Mr. C. D. Parker has
been asked to draw up a
plan for testing the wastes
that pour into the bay from
Altona.

He will draw up a plan
for testing the wastes that
come out of Kororoit Creek,
Civic Pde drain, Mulga St.
drain and the No. 2 puri-
fication plant.

He will present the sug-
gestions to the Shire Coun-
cil.

Mr. Parker is a Bacte-
riologist and Chemist and
had at one time been em-
ployed by the MMBW.

He now has his own
business and is conversant
with problems associated
with the discharge of efflu-
ent into the bay.

Mr. Parker is a member
of the World Health Or-
ganisation and has done a
lot of work connected with
petrochemical com-
plexes and he feels sure
that he will be able to
comment on the particular
problems with effluent dis-
charge when a survey is
made.

OVERPASS PLANNED FOR MILLERS RD.

Millers Rd. may get an overpass across the
Geelong railway line in 1970.

This is five or six years
sooner than dates men-
tioned in the past.

The new date has been
mentioned by the Transport
Minister, Mr. Wilcox, in a
letter to the Shire Council.

He said he had been
given the date by the
chairman of the Abolition
of Level Crossings Com-
mittee.

The land necessary for
the overpass is to be ac-
quired during the current
financial year.

This is Mr. Wilcox's

letter: "As a result of these in-
spections I confirm that the
railways will carry out the
following improvements:

(a) Galvin railway station
— the station buildings will
be painted.

(b) Paisley railway sta-
tion a common toilet faci-
lity will be installed with-
the Council providing a pan
service free of charge. The
station buildings and toilet
facility will both be painted.

SLIDING DOOR

CARRIAGES FOR ALTONA TRAIN

(c) Altona line rail ser-
vice — Mr. Brown has ad-
vised me that a sliding
door type carriage is being
prepared for use on the line
during off-peak hours. This
will replace the existing
swing door carriage at pre-
sent used and I understand
should take, up running about
February next year.

So far as grade separa-
tion at Millers Road, near
Paisley railway station is
concerned, I have been ad-
vised by the Chairman of
the Abolition of Level Cross-
ings Committee that work
on the project is expected
to commence during 1970.

As I mentioned during our
inspection, action towards
the acquisition of land for
the grade separation scheme
is included in the Commit-
tee's programme for the
current financial year. I
am pleased that some posi-
tive action has been
achieved.

MINI OLYMPICS AT NEWPORT

The Newport Oval next Sunday, November 3, will resemble the arena at Mexico City when 400 children aged between 9-12 years will compete for 2 Perpetual Trophies, a Rose Bowl donated by the Victorian Egg Board and the Lindsay Hassett Shield.

The present holder of the trophies, the Williamstown Little Athletics, comprising 12 clubs from Yarraville, Williamstown and Altona districts will be hosts to representative teams from Sunshine and Coburg.

Competitions of 800, 400 and 200 walking and running, 70 metre sprints, hurdling, high jumping, discus and shot put and other field events will be conducted to a tight time schedule during the afternoon commencing at 1 p.m.

Many exciting finishes and fine performances will be recorded and Williamstown are confident that the team selected will retain these trophies for the 1968/69 season.

Admission to the ground is free and the children would welcome your support.

Westona Little Athletics Club

The adverse conditions prevailing on Saturday at Newport oval were not inductive to top performances by athletes, but notwithstanding, Westona competitors had the satisfaction of 12 first placings in track events. Field game competitors laboured also, in the conditions, and some events had to be cancelled in certain age groups, for the safety of those scheduled to compete.

Next Sunday the annual triangular meeting between Williamstown, Sunshine and Coburg Centres, takes place at Newport oval. And as last year some fine individual performances were put up by members, it is to be hoped the weather is ideal. Frustrated though they were last Saturday, club members selected to represent Williamstown Centre, will be giving their all next Sunday to uphold the example of last year's selected representatives. The meeting will commence at 1 p.m. on the Newport Athletics Oval, and those readers of this article who are interested in seeing the sport of competing in running, jumping and throwing events are urged to come along.

The twelve first places last Saturday went to the following:

Girls U. 12 — 400m. Walk, G. Rohleder.

Girls U. 9 — 200m. L. Lou Dekker, J. George.

Boys U. 12 — 60m. Hurdles, R. Douglas.

Boys U. 11 — 60m. Hurdles, J. Barrie, B. Dodd.

Fine Follows Accident

Found guilty of failing to give way to the vehicle on his right a motorist was fined \$20 with \$6 costs at Williamstown Court last week.

Ronald John Cadman of Mount Street, Altona, pleaded guilty to the charge arising out of an accident at the intersection of Millers and Kororoit Creek Roads, Altona, on June 6.

Constable Geoffrey McMahon of Altona gave evidence of interviewing Cadman on July 2 about the accident. He said Cadman told him he was crossing the intersection and did not see the other car until too late.

Constable Noel Greig testified that he went to the accident. At the time the traffic lights were under repair and were not operating.

Herbert Haynes of Albert Street, Williamstown, told the Court that he was at the intersection at 7.50 a.m. on June 6. He said he saw a car with indicators working to show it was turning right, and behind it 2 other cars. One of the cars collided with him in the intersection.

KITS FOR VIETNAM

Last Saturday night about twenty young people connected with the Altona Baptist Christian Endeavour Groups gathered to assemble Viet Kits for Vietnam. Because of their efforts well over 90 such kits, namely, hygiene, children's and sewing kits will be sent to Vietnam through the agency of World Vision of Australia. These kits will be distributed to people who have suffered deprivation because of the war.

Bobby Milloy Wins Best and Fairest

Two hundred guests and friends attended Altona Soccer Club's presentation night, including the Shire President, Mr. W. L. J. Crofts and Mrs. Crofts, and Cr. P. Lynch and Mrs. Lynch.

The Soccer Club President, Mr. L. C. Noordenne welcomed the guests to the evening, during which the trophies were presented.

Bobby Milloy, Altona's full back, gained the top award, which is kept secret until the presentation is made. Bobby nearly hit the roof when the announcement was made. He also took off the most improved players' award. Captain Jim Balish was best club man, Billy Ormerod the best first year player and Ian Roberts received the trophy for the best individual performance (against Sunshine City) away from home. He also received his tankard for 50 games in the First eleven. In the Reserves John McQueen was best and fairest, Tony Cassar most improved and Hans Delamain best first year player.

Bouquets of flowers were presented to Mesdames Van Dyke, Spencer and Vanderpoel.

An enjoyable evening was spent dancing with supper provided. The Club Secretary, Mr. J. Collins, thanked the Shire Council for its support and co-operation, also the shop-keepers and business men for the donations which made it possible to present the grand array of trophies which were on display.

WESTERN SUBURBAN FOOTBALL LEAGUE

By SCOTTY McDONALD

The Western Suburban Football League presentation night held on Friday last was an unqualified success. Administrator Keith Hodgson stated that the past season was the best that the League had enjoyed since its inception and was looking forward to even greater success in future years. The League was now firmly entrenched and was steadily expanding.

Indicative of the importance of the occasion was the attendance of a large number of guests which included representatives of surrounding League and Association clubs, Victorian Football Union also parliamentarians and councillors. It was a credit to the Executive, headed by President Mr. J. Dorgan.

Presentations were made to the premiership winners of each grade, Maidstone Open 1st Age, Altona Under 18; Altona Purple Under 16.

Most Efficient Club: Open Age Central Altona; Under 18 R.A.A.F. Laverton; Under 16 Devon Park. Individual trophy winners were, Best & Fairest: Open Age, J. Langan; Under 18, J. Buckley; Under 16, S. Chatfield. Most Outstanding Player in the League: J. Buckley.

In responding on behalf of the visitors Mr. L. Floyd, M.L.A., made special reference to the value that the League played in assisting to train the players in the field of community endeavour.

The very enjoyable evening ended on the keynote of optimism for the future of the League.

Altona after leading by 2 runs on the 1st innings started off their 2nd innings drastically losing their openers in the first two overs for 2 runs. This then put pressure on the following batsmen. Ron McCullagh and Jim Joyce both put their heads down and started to consolidate the Altona batting.

After losing Ron for 14 and Jim for 12, Altona were in trouble again, then John Duncan and Bruce Forrester came together and compiled 33 runs for the 9th wicket. Bruce making 23 runs and John 11 runs. Altona were all out for 92, giving MHSOB 94 runs to make in 96 minutes. At the end of play MHSOB had made 5 for 78 falling by 14 runs, leaving Altona winners on the 1st innings, a good game played in difficult conditions.

Altona have won their first 2 games, but will need to have more concentration from their opening batsmen to start a foundation for a good score if they are to continue winning.

ALTONA YACHT CLUB COMMENCES SEASON

Due to gale force winds on the bay there was no club racing conducted on Saturday.

Fresh breezes gusting to 30 mph prevailed during a Sunday morning Windsor Trophy race. All classes were well represented and most of the races were well contested.

The Yacht Club has commenced the 68-69 season with renewed vigour, following the completion of extensions to the existing building. All members hope for a satisfying season.

Due to the increased interest of junior members, the Yacht Club has decided to support the Sabot class yacht and new members will be welcome.

Exciting Win to Altona

Altona resumed to the field with the score at 3 wickets for 19 runs. Play commenced with a slow scoring rate as wickets were frequently being captured by Warrick Heath and Bob Harrison.

Middle Park's 1st innings total only amounted to 52. Altona commenced its second innings and lost its 1st wicket at 14, when Captain Joe Grassby declared - Altona's innings closed, leaving Middle Park to score 97 runs in 90 minutes.

The A's commenced well, having taken 3 wickets for only 4 runs, but gradually Park's batsmen began to get on top of the bowling and a real struggle began. Park realising they were batting against the clock, began to lash out.

In the final over of the day Park needed 8 runs and Altona needed 3 wickets for an outright victory.

"Skipper" Chalmers was elected to bowl the finale. The opposition make every stroke a run but in their desperation they had their hopes dashed by run-outs after some brilliant fielding by the A's which gave them a well deserved outright win.

BROADER POLICY AT DANCE

One of the longest established dances in Melbourne is still being conducted each Saturday night at the Essendon Town Hall. Over recent months there has been a broadening of dance policy, including the introduction of an 8 p.m. start, featuring more local groups from the northern and western suburbs.

Local groups desiring to appear at this dance should apply to the Australia Associated Talent Guild — telephone 82-7288.

Amongst groups which have received a "break" or further encouragement to their work are the Triffard, formerly a house band, the Primitive Confined, still a regular group and thought to be the premier group in the western suburbs. Clovers from their regular appearances in the eastern suburbs, El Gamble, who has been appearing on television, Chris St. Nicholas and the Push. Everlasting Ends from Avondale Heights; Before and After from Glenroy; Soul Experience, another regular group; Chaperals from Altona and North Sunshine; Jimmy Howells from Sydney; Acheson Pains from North Sunshine; Kind of Love from Edithvale; Radil Fly, University of Melbourne; Bazaar from Preston; Darren Granger Set; Johnny Stevens, Mike and Gary Walker, direct from London; 54320NE, Pale Shade, Flavour, Spice of Life and Bass Drum.

The Essendon Town Hall dance is endorsed and supported by the Australia Associated Talent Guild — a business co-operative organisation in the field of popular music for the promotion and benefit of modern groups and artists. Further details are obtainable from Box 109, Hawthorn.

BIG ACTS FOR DANCE

Now developed to be the leading Friday night dance in Melbourne is Uncle John's Cabin at Moonee Ponds. Not only presenting the top line mod groups but also adopting a policy of assisting local talent.

Future line ups include on Friday, November 1, the first battle of the figures ever staged in Melbourne when Nineteen 87 and 54320NE will appear on the same program.

Groups engaged during November include a farewell appearance of the Town Criers before leaving for Vietnam and the United States, the Iguana and the sensational Motion who feature a 18ft. snake in their act. The popular Valintines will be making a return appearance too.

Uncle John's Cabin dance is endorsed and supported

CHRIS LEAVES SCENE

To the immense surprise of his many friends Chris St. Nicholas has left the Melbourne pop scene for a country town. Chris has joined 3YB, Warrnambool, as general announcer.

Formerly known for the duo act, Chris and Pat, with appearances on radio, Chris branched out on his own. Over recent months he has been making successful appearances with the Push.

Chris is being invited to be honorary resident director of the Australia Associated Talent Guild.

21ST BIRTHDAY CELEBRATED AT CHURCH HALL

At St. Eanswythe's Parish Hall, Altona, on Saturday, October 19, Mr. and Mrs. L. G. Marsh of Belmar Avenue, Altona, welcomed seventy guests to a party to celebrate the 21st birthday of their daughter, Cheryl.

Apologies were received from two old school friends Miss Joyce Smith of Armidale, N.S.W., and Miss Christine Kristiansen, who is at present in Oslo, Norway, visiting her father's homeland.

Cheryl's eldest brother, Mervyn, also was unable to be present but sent his congratulations from Noumea where he was spending his annual holidays. However, her second brother, Petty Officer Daryl Marsh came from Sydney for the special occasion.

The hall was decorated in pink and white and provided a gay atmosphere. Dancing filled a large part of the evening, music being provided by a dance band of which Mr. Marsh is a playing member. Added attractions were a program of hilarious entertainment by a well known Melbourne impressionist, Mr. Norm Hanvy, and folk-songs by Cheryl's cousin Mr. Rex Pickard of Clayton who proved very popular with his guitar. Some years ago Rex won his section in the finals of Australia's Amateur Hour in Sydney.

At the conclusion of a sumptuous supper, the Vicar, Rev. John Lawley, spoke in verse of Cheryl's link and activities with the Church and her other social and student activities.

Cheryl, who is already a trained Primary teacher with the Education Dept., is now completing an extension course at "Glen Donald" — the children's training centre for the deaf.

Shortly before midnight Cheryl was presented with a front door key, after which the singing of Auld Lang Syne completed a very happy evening.
